Outstanding Teacher Award Nominations Available

Know a great teacher who has truly gone above and beyond in the classroom? Here's your chance to acknowledge and honor that special person. The Milton Foundation for Education is again sponsoring the Outstanding Teacher Awards, and nomination forms are available through all the Milton public schools and on the MFE website www.miltonfoundationforeducation.

According to Malvina Libsch, a trustee of the MFE and chair of the Outstanding Teacher Awards committee, this will be the 8th year that the MFE has presented these awards, and since the beginning, over 40 teachers have been honored. She believes one can not help but be amazed and touched by the stories parents write about that one particular teacher or staff person who has made all the difference to their own child's school experience. "As a Milton public school parent myself, I feel particularly blessed to have my children impacted by such an incredible group of teachers and staff," Libsch said. Parents may nominate any teacher, teacher's aid, specialist, or staff person in grades K-8, while seniors nominate teachers at the high school.

The deadline for nominations is Friday, April 4th. Winners will be honored at a special ceremony on May 15th at the Milton High School Auditorium.
