

September 2009

Dear Friend:

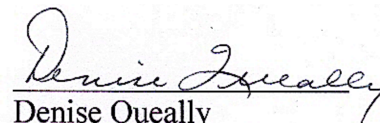

The Milton Foundation for Education (MFE) invites you to join us at this year's ***Celebration for Education!*** This highly anticipated annual event brings our community together for an evening of fun and excitement while generating much-needed financial support for Milton's teachers and students. Through the generosity of local businesses, town organizations and individuals, MFE has raised more than \$1.5 million toward expanding and enhancing educational opportunities within the Milton Public Schools. And this year, more than ever, we need you to step up and help us ensure a first-class educational experience for every Milton student.

Celebration truly celebrates the unique character and spirit of the Milton Public Schools, and is the town's largest single fundraising event. Attracting over 600 people and featuring a silent auction, live auction, casino and dinner, ***Celebration*** provides an excellent forum to showcase an organization and demonstrate your passionate commitment to quality public education in Milton. **Up and Away: Beyond the Basics!** is this year's event theme, and money raised will fund a wide variety of enrichment programs for students. We recognize that part of what makes a Milton education so special is the emphasis on activities that supplement classroom learning –master music classes, media production workshops, independent language study and artists-in-residence. The current economic slowdown is placing tremendous pressures on our school administrators. Your support of this year's ***Celebration*** will ensure that our students receive a diverse array of enrichment opportunities that help them achieve their true academic potential.

This year's event will be held on **Saturday, November 21, 2009**. Support from the community is critical. **We offer several sponsorship levels and donations at a School Sponsor or above will be acknowledged on our invitations. Sponsorship must be received by September 30, 2009 for listing on the invitation.** MFE recognizes the challenging financial times we face and values any contribution you can comfortably donate. Enclosed are Sponsor and Donation forms for your convenience. For more information on how you can contribute, please contact Denise Queally at MILTONCFE2009@gmail.com or feel free to call Denise at 617-696-4568 ext 2208.
